Strategic report for the year ended 31 December 2015

The directors present their strategic report on OIC Run-Off Limited (in Scheme of Arrangement) ("the Company") for the year ended 31 December 2015.

Review of the Business

The Company no longer underwrites business. Its principal activity is the run-off of general insurance and reinsurance business.

The results for the year are set out on page 10.

The Company and its subsidiary company, The London and Overseas Insurance Company Limited (in Scheme of Arrangement) (together "the Group") wrote non-life insurance and reinsurance business predominantly in the UK market. It ceased underwriting activities on 30 September 1992, but continues to run-off its insurance operation.

As a consequence of deterioration on claims reserves, the Group's parent company provided funding for claims payments from 15 December 1993 until 21 October 1994, when the Group was placed under the control of Joint Provisional Liquidators.

As described in Note 20(d), on 30 June 1995 the Group entered into an arrangement with Nationale-Nederlanden Overseas Finance and Investment Company Unlimited ("NNOFIC") whereby certain claims payments have been made in full. As at the balance sheet date, total claims paid under this arrangement amounted to US\$306,555,000.

As described in Note 23, the Group entered into a Scheme of Arrangement ("Original Scheme") with effect from 7 March 1997. On 15 September 1997 an initial Payment Percentage of 15% of creditors' Established Liabilities was approved by the Creditors' Committee. Subsequent increases in the Payment Percentage have been approved by the Creditors' Committee. As at 31 December 2015 the Payment Percentage was paid at 58%. An Amending Scheme of Arrangement ("Amending Scheme") was approved at meetings of scheme creditors held on 11 December 2014. The High Court of Justice of England and Wales sanctioned the Amending Scheme by an order dated 29 October 2015 ("the Order"). The United States Bankruptcy Court granted an order under Chapter 15 of the United States Bankruptcy Code recognising and enforcing the Amending Scheme in the United States of America on 11 January 2016. The Order was lodged with the Registrar of Companies in England and Wales and the Amending Scheme accordingly became effective on 14 January 2016. The Amending Scheme seeks to crystallise the majority of the Group's liabilities so as to enable a final payment percentage to be approved and paid.

As part of running off its insurance operations, the Group continues to carry on investment activities in relation to the assets under its control.

During the year, claims development has followed expectations.

Results

The results of the Group for the year, as set out on pages 10 to 32, show a loss on ordinary activities after taxation attributable to the owners of the Group of US\$7,588,000 (2014: profit of US\$10,693,000). The shareholders' deficit in the Group is US\$458,364,000 (2014: US\$450,776,000).

Future development and strategy

The Amending Scheme seeks to crystallise the majority of the liabilities of the Group. With certain exceptions, creditors must submit their claims by the bar date, 12 September 2016. Subject to the terms of the Amending Scheme, a claims agreement process will then commence after the bar date and a final Payment Percentage will be declared.

In the meantime the Group continues to run-off the business and as: (1) certain conditions need to be met before the crystallisation provisions of the Amending Scheme become effective; and (2) not all claims will be crystallised under the Amending Scheme, the financial statements have been prepared on the going concern basis.

Strategic report for the year ended 31 December 2015 (continued)

Transition to FRS 102

This is the first year that the Group has presented its results under FRS 102 "The Financial Reporting Standard, applicable in the UK and Republic of Ireland". The last financial statements under previous UK GAAP were for the year ended 31 December 2014. The date of transition to FRS 102 was 1 January 2014. In accordance with FRS 102, the Group has identified its insurance contracts and accounted for them in accordance with FRS 103 "Insurance Contracts". The impact of the transition to FRS 102 is set out in Note 21 "Transition to FRS 102". There is no impact on the profit after tax for the comparative period and the opening equity at 1 January 2014.

Principal risks and uncertainties

The Group has entered into the Original Scheme and the Amending Scheme and had a consolidated net deficit of US\$458,364,000 as at the balance sheet date.

The Group is exposed to financial risk, through its financial assets and technical provisions. The key financial risk is that proceeds from financial assets are insufficient to fund current and future claims.

The most important components of these risks are: timing and valuation risk in relation to technical provisions, and interest rate, currency, credit and liquidity risk in relation to financial assets. The Group manages these risks by:

- appointing specialist claims handlers who perform the day-to-day monitoring of its insurance liabilities and reinsurance assets;
- regularly reviewing the creditworthiness of its reinsurers;
- appointing external actuaries to assess the adequacy of reserves;
- reviewing cash flow requirements to ensure its liquidity needs are met;
- matching foreign currency liabilities with corresponding currency assets to minimise the impact of movements in foreign exchange rates; and
- appointing third party investment managers with a view to ensuring the best possible returns on investments and minimising impact of movements in interest rates.

By order of the board.

P.A.B. Evans
Director

15 September 2016

Directors' report for the year ended 31 December 2015

The directors present their report and the audited financial statements for the year ended 31 December 2015.

Future developments

Likely future developments in the business are discussed in the strategic report.

Directors

The names of the current directors are listed on page 3. There were no changes to the directors holding office during 2015.

Employees

The Group has no employees.

Disclosure of relevant information to auditors

Each of the persons who is a director, at the date of this report, confirms that:

- as far as each of them are aware, there is no information relevant to the audit of the Group's financial statements for the year ended 31 December 2015 of which the auditors are unaware; and
- the directors have taken all steps that they ought to have taken in their duty as directors in order to make themselves aware of any relevant audit information and to establish the Group's auditors are aware of that information.

Independent Auditors

The auditors, Deloitte LLP, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the Board of Directors Meeting.

Statement of directors' responsibility

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have prepared the Group and Company financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the Company and of the profit or loss of the Group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

**OIC Run-Off Limited (in Scheme of Arrangement)
and its subsidiary company**

Directors' report for the year ended 31 December 2015 (continued)

Statement of directors' responsibility (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group's transactions, disclose with reasonable accuracy at any time the financial position of the Group and the Company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

By order of the board

P.A.B. Evans
Director

15 September 2016

Independent Auditor's Report to the Members of OIC Run-Off Limited (In Scheme of Arrangement)

We have audited the financial statements of OIC Run-Off Limited (in Scheme of Arrangement) for the year ended 31 December 2015 which comprise the Consolidated Profit and loss account: Technical account – general business, the Consolidated Profit and Loss Account: Non-technical account, the Consolidated and parent Company Balance Sheets, the statement of changes in equity the Consolidated Cash Flow Statement, and the related Notes 1 to 23. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group's and the parent company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Basis for qualified opinion on financial statements

As explained in Note 41, the financial statements do not provide the disclosure required by United Kingdom Accounting Standards in respect of the analysis of debtors and creditors between reinsurance and direct business. In addition, under Section 11.38A of FRS 102, the Group and the Company are required to report their broker balances on a gross basis unless a legal right of offset exists, according to the principal involved. The Group and the Company have not complied fully with this disclosure requirement. In respect of these matters the Group and the Company have not complied with United Kingdom Generally Accepted Accounting Practice.

Qualified opinion on financial statements

In our opinion, except for the possible effects of the matters described in the basis for qualified opinion on financial statements paragraph, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its loss for the year then ended;

**OIC Run-Off Limited (in Scheme of Arrangement)
and its subsidiary company**

- have been properly prepared in accordance with United Kingdom Generally Accepted
- Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Emphasis of matter – technical provisions and significant uncertainties

In forming our opinion on financial statements, we have considered the adequacy of the disclosures made in Note 5 concerning the significant uncertainties regarding the outcome of the following:

- the ultimate cost of claims, including North American liability claims, such as environmental pollution and asbestos claims, which have been included in the group's and the parent Company's technical provisions and new sources or types of claims which might emerge; and
- the ultimate amount recoverable by the group and the parent Company from reinsurers in respect of gross claims.

These matters, taken together or individually, give rise to significant uncertainties and their resolution may result in material, but presently unquantifiable, adjustments to the financial statements as presented. Adjustments to the amounts of technical provisions and reinsurers' share of technical provisions are reflected in the financial statements for the period in which the adjustments are made.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report and the Directors' Report.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Andrew Downes (Senior Statutory Auditor)

Notes to the financial statements for the year ended 31 December 2015

1. General Information

OIC Run-Off Limited (in Scheme of Arrangement) is a general insurance company in run-off in the UK. The Company is a private company limited by shares and is incorporated in England. The address of its registered office is 10-18 Union Street, London, SE1 1SZ.

2. Statement of Compliance

The financial statements of the Company have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102"), Financial Reporting Standard 103, "Insurance Contracts" (FRS 103) and the Companies Act 2006. The only exception is the requirement of Financial Reporting Standard 102 regarding the presentation of broker balances on a gross basis as explained in Note 4I.

The financial statements have been prepared on the going concern basis as appropriate for a group in run-off, as discussed in the Directors' Report, and are subject to a number of significant uncertainties which are set out in Note 5.

3. Run-off of the business

The Group is in run-off having ceased all underwriting activities on 30 September 1992. The Group was placed into provisional liquidation on 21 October 1994, and entered into the Original Scheme with effect from 7 March 1997. The Amending Scheme became effective on 14 January 2016 and, with certain exceptions, creditors must submit their claims by the bar date, 12 September 2016. The Group's policy is to provide for the administrative and claims handling costs of running off the business to the extent that they are expected to exceed future investment income. Meaningful segmental analysis is not available due to the run-off nature of the business.

4. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. Details of the transition to FRS 102 and FRS 103 are disclosed in Note 21.

a. Basis of preparation

The preparation of financial statements in conformity with FRS 102 and FRS 103 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in Note 5.

b. Going concern

Having assessed the principal risks, the directors considered it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

c. Exemptions for qualifying entities under FRS102

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of exemptions by the Company's shareholders.

The Company has taken advantage of the exemption from preparing a statement of cash flows, on the basis that it is a qualifying entity and the consolidated statement of cash flows, included in these statements, includes the Company's cash flows.

Notes to the financial statements for the year ended 31 December 2015 (continued)

4. Summary of significant accounting policies (continued)

d. Basis of consolidation

The consolidated profit and loss account, balance sheet and cash flow statement include the accounts of the Company and its subsidiary undertaking.

e. Foreign Currency

The Group's financial statements are presented in US Dollars and rounded to thousands. The Group's functional currency is US Dollars. Foreign currency transactions are translated into the functional currency using the average exchange during the year. At each year-end foreign currency monetary items are translated using the closing year-end rate. For this purpose all assets and liabilities arising from insurance contracts are monetary items.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the non-technical account.

The relevant US Dollar/Sterling exchange rates are as follows:

	Year-end rate	Average rate
31 December 2015	1.4739	1.5286
31 December 2014	1.5593	1.6551

f. Insurance contracts

The Group is in run-off and no longer issues contracts of insurance.

(i) Premiums

Written premiums are stated gross of commissions payable to intermediaries and exclusive of taxes and duties levied on premiums.

Outward reinsurance premiums are accounted for in the same accounting period as the premiums for the related direct or inwards reinsurance business.

(ii) Claims incurred

Claims incurred comprise claims agreed, claims payments and external settlement expense payments made in the financial year and the movement in the provisions for outstanding claims and settlement expenses, including claims incurred but not reported ("IBNR"), net of salvage and subrogation recoveries.

Outwards reinsurance recoveries are accounted for in the same accounting period as the claims for the related direct or inwards reinsurance business being reinsured.

(iii) Technical provisions

The Group sets its technical provisions for notified outstanding claims based on the estimated ultimate cost of all claims notified but not settled by the balance sheet date, together with the provision for related claims handling costs and net of salvage and subrogation recoveries. The technical provisions also include the estimated cost of IBNR claims at the balance sheet date based on statistical methods.

The adequacy of the technical provisions is assessed by reference to actuarial projections of the ultimate development of claims.

Notes to the financial statements for the year ended 31 December 2015 (continued)

4. Summary of significant accounting policies (continued)

f. Insurance contracts (continued)

(iii) Technical provisions (continued)

Asbestos and pollution IBNR ("APH IBNR") claims have been calculated using exposure models. The ultimate claims, defined as the total payments from each loss until final settlement of the liability, have been estimated. The IBNR reserves are then calculated as the difference between ultimate claims and the total of paid claims to date and notified outstanding claims. Non-APH IBNR claims are calculated using gross of reinsurance statistics. IBNR net of reinsurance has been estimated either by applying the Group's outwards reinsurance programme to the estimated gross IBNR or, where this was not possible, by applying the ratio of net to gross notified outstanding claims to the gross projected IBNR claims. The methods used, and estimates made, are reviewed regularly.

Whilst the directors consider that the gross technical provision for claims and the related recoveries is fairly stated on the basis of the information currently available to them, there is inherent uncertainty in relation to the insurance industry by its nature. Significant delays might occur in the notification of certain claims and a substantial measure of experience and judgement is involved in assessing outstanding liabilities, the ultimate cost of which cannot be known with certainty at the balance sheet date. In particular, estimates of technical provisions inevitably contain inherent significant uncertainties because extensive periods of time may elapse between the occurrence of an insured loss, the claim triggering the insurance under a claims-made coverage, the reporting of that claim to the Group and the Group's payment of the claim and the receipt of reinsurance recoveries. This uncertainty is such that the ultimate liability, which will vary as a result of subsequent information and events, may result in adjustments to the amount provided. Adjustments to the amount of the provisions are reflected in the financial statements for the period in which the adjustments are made.

In addition, the Group is exposed to significant issues causing uncertainties which are greater than normal, as explained in Note 5a.

g. Taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax. The exception to this is that deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

h. Investments – Subsidiary undertaking

In the Company's accounts, shares in subsidiary undertakings are stated at cost less provisions for any impairment in value.

i. Cash and cash equivalents

Cash and cash equivalents comprise deposits held at call with banks.

Notes to the financial statements for the year ended 31 December 2015 (continued)

4. Summary of significant accounting policies (continued)

j. Provisions and contingencies

Provisions are recognised where the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount of the obligation can be estimated reliably.

k. Financial Instruments

The Group has chosen to apply the recognition and measurement and disclosure under the requirements of FRS 102 in respect of financial instruments.

l. Debtors and Creditors

Before the Group entered provisional liquidation, it derived its business from underwriting both direct and inwards reinsurance. UK Accounting Standards require that the Group disclose amounts due to and from policyholders, intermediaries and reinsurers analysed between those arising from direct and reinsurance business.

In the past the Group has not maintained its accounting records in such a way as to make extraction of this information readily available, although this would be possible if sufficient time and resource were made available. As the Group is now in the Original Scheme and the Amending Scheme, the directors do not consider these disclosures to be fundamental to the financial statements, and have not given them on the grounds of the additional resource required to extract this information.

Under Financial Reporting Standard 102 the Group is required to report their transactions with brokers, including debtor and creditor balances, on a gross basis, unless a legal right of offset exists, according to the principal involved. In 1997 a principal ledger was put in place and the Group now receives data from the broker-based system for this purpose. However, not all of the Group's debtor and creditor balances as at 31 December 2015 are stated on a gross basis.

m. Investment return

All investment income is recognised in the non-technical account.

Investment income comprises of interest on fixed interest securities and deposits with credit institutions, and is dealt with on an accruals basis.

Realised gains or losses represent the difference between the net sale proceeds and purchase price.

Interest payable and expenses incurred in the management of investments are accounted for on an accruals basis.

Unrealised gains or losses represent the difference between the valuation of investments at the balance sheet date and their purchase price. The movement in unrealised investment gains and losses therefore includes the reversal of previously recognised unrealised gains and losses on investments disposed of in the current period.

n. Share capital

Ordinary shares are classified as equity.

Notes to the financial statements for the year ended 31 December 2015 (continued)

4. Summary of significant accounting policies (continued)

o. Related party transactions

The Group discloses transactions with related parties which are not wholly owned within the same group. Where appropriate, transactions of a similar nature are aggregated unless, in the opinion of the directors, separate disclosure is necessary to understand the effect of the transactions on the Group financial statements.

5. Critical accounting judgements and estimation uncertainty

The financial statements of the Group and the Company reflect the following significant uncertainties:

a. The ultimate liability arising from claims made under insurance contracts

There is considerable uncertainty surrounding the ultimate cost of claims including environmental pollution and asbestos claims, many of which are subject to market litigation. The Group is also vulnerable to new sources or types of claims. The ultimate cost of these claims cannot be known with certainty.

Technical provisions include the following amounts in respect of environmental pollution and asbestos claims:

- (i) all known outstanding environmental pollution and asbestos claims based on lawyers' advices and lawyers' reserve potentials. The net amount included in technical provisions at 31 December 2015 in respect of such environmental pollution and asbestos claims, after reinsurance recoveries of US\$66,790,000 (2014: US\$60,237,000) (Company: US\$28,842,000 (2014: US\$27,621,000)), is US\$327,012,000 (2014: US\$290,501,000) (Company: US\$364,960,000 (2014: US\$323,117,000));
- (ii) a provision for incurred but not reported claims of US\$15,587,000 (2014: US\$51,738,000) (Company: US\$22,535,000 (2014: US\$67,874,000)) net of reinsurance, and US\$22,881,000 (2014: US\$71,495,000) (Company: US\$22,881,000 (2014: US\$71,495,000)) gross of reinsurance, based on professional advice and a broad projection of observed developments to date; and
- (iii) a provision of US\$28,968,000 (2014: US\$37,945,000) (Company: US\$23,407,000 (2014: US\$26,575,000)) for potential irrecoverable reinsurance.

In total, the net amount included in respect of environmental pollution and asbestos claims in technical provisions is US\$371,567,000 (2014: US\$380,183,000) (Company: US\$410,902,000 (2014: US\$417,565,000)). The Company figures include US\$89,409,000 (2014: US\$86,453,000) in respect of the policyholder liabilities of a wholly-owned insurance subsidiary assumed under an intra-group guarantee (see Note 13b).

b. Reinsurance recoveries and bad debt provision

The directors have recognised recoveries due from claims on the Group's and Company's reinsurers. Amounts of US\$45,920,000 (2014: US\$42,809,000) (Company: US\$6,094,000 (2014: US\$4,940,000)) are included in reinsurers' share of technical provisions and US\$23,866,000 (2014: US\$25,356,000) (Company: US\$17,138,000 (2014: US\$21,943,000)) are included in debtors. These amounts are net of provisions against amounts due from reinsurers whose solvency may be in doubt and who may ultimately be unable to pay in full of US\$30,278,000 (2014: US\$39,550,000) (Company: US\$24,641,000 (2014: US\$28,026,000)) and US\$15,342,000 (2014: US\$13,327,000) (Company: US\$11,017,000 (2014: US\$11,533,000)) respectively.

The reinsurance recoveries figures above are affected by the following significant uncertainties:

Notes to the financial statements for the year ended 31 December 2015 (continued)

5. Critical accounting judgements and estimation uncertainty (continued)

b. Reinsurance recoveries and bad debt provision (continued)

- (i) as a result of the insolvency of certain of the Group's and Company's reinsurers, there remains material uncertainty as to the amount which will be recovered from these reinsurers; and
- (ii) the Group has a complex reinsurance programme, the recoveries under which depend on a number of factors including the size of individual claims. Until these gross claims amounts are known with certainty, the Group and Company are unable to identify the extent to which there is possible exhaustion of vertical and horizontal reinsurance covers.

There are no other balances subject to judgement or estimate.

6. Management of insurance and financial risk

a. Insurance Risk

The Group issued contracts that transferred insurance risk. The Group is exposed to the uncertainty surrounding the severity of claims under these contracts.

Concentration of insurance risk – claims reserve

The tables below set out the concentration of insurance risk by class of business

Notified outstanding claims excluding IBNR at 31 December 2015	Gross US\$'000	Net US\$'000
Environmental pollution and asbestos	371,939	310,371
Other direct and reinsurance risks	40,439	33,227
	<u>412,378</u>	<u>343,598</u>

Notified outstanding claims excluding IBNR at 31 December 2014	Gross US\$'000	Net US\$'000
Environmental pollution and asbestos	328,929	290,239
Other direct and reinsurance risks	41,066	17,440
	<u>369,995</u>	<u>307,679</u>

Sources of uncertainty in the estimation of future claim payments

The sources of estimation uncertainty in establishing the ultimate liability arising from claims made under insurance contracts is discussed in Note 5.

Claims development

The Group is in run-off having ceased all underwriting activities on 30 September 1992, and entered into the Original Scheme with effect from 7 March 1997 and the Amending Scheme with effect from 14 January 2016. Claims, arising from 1992 and prior years and as represented by technical provisions, have developed as follows:

As at 31 December	2011 US\$'000	2012 US\$'000	2013 US\$'000	2014 US\$'000	2015 US\$'000
Gross claim insurance liabilities	560,357	527,281	459,858	447,856	439,460
Gross recovery from reinsurers	52,627	55,449	46,741	42,809	45,920
Total net insurance liabilities	<u>507,730</u>	<u>471,832</u>	<u>413,117</u>	<u>405,047</u>	<u>393,540</u>

Notes to the financial statements for the year ended 31 December 2015 (continued)

6. Management of insurance and financial risk (continued)

b. Financial risk management objectives

The Group is exposed to financial risk, through its financial assets and technical provisions. The key financial risk is that proceeds from financial assets are insufficient to fund current and future claims. The most important components of these risks are: the timing and valuation risk in relation to technical provisions, and interest rate, currency, credit and liquidity risk in relation to financial assets.

Market Risk

The Group manages its foreign exchange risk against its functional currency. Foreign exchange risk arises when recognised assets are denominated in a currency that is not the entity's functional currency.

The Group seeks to mitigate the risk by matching the estimated liabilities with assets denominated in the same currency.

Liquidity Risk

The Group holds cash and financial instruments of a liquid nature. Careful review of cash flow requirements ensures liquidity needs are met. Financial liabilities will settle in accordance with the terms of the Original Scheme and the Amending Scheme. The Amending Scheme seeks to crystallise the majority of liabilities of the Group. With certain exceptions, creditors must submit their claims by the bar date, 12 September 2016. A claims agreement process will then commence after the bar date and a final payment percentage will be declared.

Credit Risk

Credit risk is the risk that one party to a financial instrument or financial arrangement will fail to discharge an obligation and cause the other party to incur a financial loss. The assets exposed to credit risk are:

- (i) Cash at bank;
- (ii) Deposits with credit institutions;
- (iii) Listed fixed interest securities; and
- (iv) Reinsurance debtors

Funds held within (i) and (ii) are with institutions rated A or higher across an average of the major rating agencies. Listed fixed interest securities contain only US Treasury bonds or UK Government gilts, rated at AA+ or higher.

Reinsurance debtors are regularly reviewed for creditworthiness and bad debt provided if appropriate.

Capital Management

The Group's objectives in managing its balance sheet are:

- (i) To match the profile of its assets and liabilities, taking account of the risks inherent in the business;
- (ii) To satisfy the requirements of its creditors and regulators; and
- (iii) To manage exposures to movement in exchange rates.

Notes to the financial statements for the year ended 31 December 2015 (continued)

7. Movement in prior year's provision for claims outstanding

Material over/(under) provisions for claims at the beginning of the year as compared with net payments and provisions at the end of the year in respect of prior years' claims are as follows:

	2015 US\$'000	2014 US\$'000
Environmental pollution and asbestos	(1,648)	12,894
Other direct and reinsurance risks	2,677	2,318
	<u>1,029</u>	<u>15,212</u>

8. Expenses

a. Net operating expenses

Operating expenses have been charged directly to the technical account – general business.

	2015 US\$'000	2014 US\$'000
Management expenses	21,322	22,477
(Decrease) / increase in bad debt provision	(7,257)	4,932
Net operating expenses	<u>14,065</u>	<u>27,409</u>

Management fees amounting to US\$6,262,000 (2014: US\$6,307,000) were paid to Armour Risk Management Limited for providing run-off services to the Group.

The bad debt provision as at 31 December 2015 was US\$45,620,000 (2014: US\$52,877,000). Of this amount US\$15,342,000 (2014: US\$13,327,000) was provided within debtors arising out of direct insurance and reinsurance operations, and US\$30,278,000 (2014: US\$39,550,000) was provided within technical provisions. Of the amounts provided within debtors arising out of direct insurance and reinsurance operations, US\$15,342,000 (2014: US\$13,327,000) is a specific provision with no general provision (2014: US\$Nil). Of the amounts provided within technical provisions US\$27,836,000 (2014: US\$33,465,000) is a specific provision and US\$2,442,000 is a general provision (2014: US\$6,085,000).

b. Auditors' remuneration

Included in management expenses are audit fees, excluding VAT, of:

	2015 US\$'000	2014 US\$'000
OIC Run-Off Limited (in Scheme of Arrangement)	114	175
The London and Overseas Insurance Company Limited (in Scheme of Arrangement)	49	75

Remuneration of the Group's auditor for provision of non-audit services to the Group was US\$Nil (2014: US\$Nil).

Notes to the financial statements for the year ended 31 December 2015 (continued)

9. Employees and directors

Employees

The Group incurs no staff costs, as throughout the current and prior financial years all staff dealing with the affairs of the Group were employed by an appointed run-off manager, which was remunerated by a management fee. The current run-off manager is Armour Risk Management Limited.

Directors

The current directors Messrs. D.Y. Schwarzmann who was a partner in PricewaterhouseCoopers LLP as at 31 December 2015 and P.A.B. Evans, who retired from the PricewaterhouseCoopers LLP partnership on 30 June 2007, received no remuneration from the Group. PricewaterhouseCoopers LLP are in receipt of fees for the provision of services to the Scheme Administrators.

10. Investment return

	2015	2014
	US\$'000	US\$'000
Investment income		
Income from financial assets at fair value through profit and loss	8,344	8,576
Net profit on realisation of investments	<u>562</u>	<u>5,196</u>
	<u>8,906</u>	<u>13,772</u>
Net unrealised gains/(losses) on investments	<u>(9,636)</u>	<u>6,761</u>
Total investment return	<u>(730)</u>	<u>22,348</u>

11. Taxation

	2015	2014
	US\$'000	US\$'000
Tax on Profit on ordinary activities		
The charge based on the profit for the year comprises:		
Current tax	-	-
Group Relief recovered	-	-
Deferred tax	-	-
Current year tax	<u>-</u>	<u>-</u>
Prior year adjustment for foreign tax	-	-
Tax on profit on ordinary activities	<u>-</u>	<u>-</u>

Factors affecting tax charge for the year.

	2015	2014
	US\$'000	US\$'000
Profit / (loss) on ordinary activities before tax	(7,588)	10,693
Profit on ordinary activities before tax at 20.25% (2014: 21.5%)	(1,537)	2,299
Timing differences (capital allowances)	-	-
Other permanent differences (legal fees)	308	291
Utilisation of tax losses brought forward	-	(2,590)
Unrecognised tax losses carried forward	1,229	-
Prior year adjustment for foreign tax	-	-
Total current tax	<u>-</u>	<u>-</u>

Notes to the financial statements for the year ended 31 December 2015 (continued)

11. Taxation (continued)

The Group has consolidated losses brought forward and there is no current tax charge in 2015.

Factors that may affect the future tax charge

Tax losses, valued at the future standard UK rate of tax of 18% (2014: 20%) of US\$85,800,000 (2014: US\$94,000,000) are available to offset against the Group's taxable profits in future periods. As enacted in the Finance Act 2015, profits arising after 1 April 2015 will be taxable at 20%. The rate is set to reduce to 19% for the profits arising after 1 April 2017 and will be reduced by a further 1% to 18% for profits arising after 1 April 2020. Due to the uncertainty as to the amount and timing of future profits, all tax losses have been valued at the lower rate of 18%. No deferred tax asset has been recognised in respect of these losses as, due to the uncertainty as to whether future profits will arise, it is not known at what point in time these losses will reverse.

There are no deferred tax liabilities (2014: US\$Nil).

12. Share capital

	2015 US\$'000	2014 US\$'000
Called up, allotted and fully paid:		
110,000,000 ordinary shares of 50p each	85,250	85,250
	<u>85,250</u>	<u>85,250</u>

13. Technical provisions

The closing provision for claims is comprised as follows:

(a) Group	Gross US\$'000	Reinsurance US\$'000	Net US\$'000
At 31 December 2015			
Notified outstanding claims	412,378	68,780	343,598
Incurred but not reported claims	27,082	7,419	19,663
Provision for future run-off expenses	27,080	-	27,080
Provision against potential irrecoverable Reinsurance	-	(30,279)	30,279
Total	<u>466,540</u>	<u>45,920</u>	<u>420,620</u>
At 31 December 2014			
Notified outstanding claims	369,995	62,316	307,679
Incurred but not reported claims	77,861	20,043	57,818
Provision for future run-off expenses	29,200	-	29,200
Provision against potential irrecoverable Reinsurance	-	(39,550)	30,279
Total	<u>477,056</u>	<u>42,809</u>	<u>434,247</u>

Notes to the financial statements for the year ended 31 December 2015 (continued)

13. Technical provisions (continued)

(b) Company	Gross US\$'000	Reinsurance US\$'000	Net US\$'000
At 31 December 2015			
Notified outstanding claims	335,411	30,383	305,028
Incurred but not reported claims	11,663	352	11,311
Provision for future run-off expenses	27,080	-	27,080
Provision against potential irrecoverable reinsurance	-	(24,641)	24,641
	<u>374,154</u>	<u>6,094</u>	<u>368,060</u>
Additional provision for subsidiary undertaking's policyholder liabilities assumed under an intra-group guarantee:			
APH	89,409	-	89,409
Non APH	2,977	-	2,977
Total	<u>466,540</u>	<u>6,094</u>	<u>460,446</u>
At 31 December 2014			
Notified outstanding claims	302,822	29,229	273,593
Incurred but not reported claims	54,854	3,737	51,117
Provision for future run-off expenses	29,200	-	29,200
Provision against potential irrecoverable reinsurance	-	(28,026)	28,026
	<u>386,876</u>	<u>4,940</u>	<u>381,936</u>
Additional provision for subsidiary undertaking's policyholder liabilities assumed under an intra-group guarantee:			
APH	86,453	-	86,453
Non APH	3,727	-	3,727
Total	<u>477,056</u>	<u>4,940</u>	<u>472,116</u>

The Company has given a guarantee in favour of the policyholder liabilities of its wholly owned subsidiary undertaking, The London and Overseas Insurance Company Limited. Under this guarantee, any amounts paid by the Company in respect of its subsidiary's liabilities are recoverable only after all policyholder liabilities have been met.

Following the provisional liquidation of The London and Overseas Insurance Company Limited, the directors consider that this guarantee has crystallised. The technical provisions of the Company therefore include the Company's own policyholder liabilities including the provision held in respect of future run-off costs and provision for the total policyholder liabilities of its subsidiary undertaking before taking account of the available assets of the subsidiary undertaking.

Notes to the financial statements for the year ended 31 December 2015 (continued)

14. Investment in Group undertakings

	2015 US\$'000	2014 US\$'000
Shareholding in subsidiary company	8,913	8,913
Provision for impairment	(8,913)	(8,913)
	<u>-</u>	<u>-</u>

Statement of investments in subsidiary company all of which are incorporated in Great Britain and registered in England and Wales:

Company	Identity of class of share	Proportion of nominal value %	Issued share capital US\$
The London and Overseas Insurance Company Limited (in Scheme of Arrangement)	Ordinary (one class)	100	10,850,000

The shareholding of US\$8,913,000 comprises The London and Overseas Insurance Company Limited at valuation on 1 January 1972 of US\$1,163,000 plus the cost of additional shares acquired of US\$7,750,000. This company has a deficit on shareholders' equity and so the directors consider that a nil valuation is appropriate.

15. Provisions for other risks and charges

A provision has been made to cover the costs of meeting the obligations of the Original Scheme entered into with effect from 7 March 1997, and the Amending Scheme entered into with effect from 14 January 2016. Reasonable assumptions for the future run-off and claims handling expenses of the companies to the extent they exceed the projected future investment income have been used.

16. Other financial investments

	Group		Company	
	2015 US\$'000	2014 US\$'000	2015 US\$'000	2014 US\$'000
Measured at fair value through profit or loss				
Listed fixed interest securities	268,689	313,730	268,689	313,730
Measured at cost				
Deposits with credit institutions	313,574	300,189	116,515	103,380
	<u>582,263</u>	<u>613,919</u>	<u>385,204</u>	<u>417,110</u>

All listed fixed interest securities have been analysed as Level 1 in the fair value hierarchy and are measured by reference to quoted prices (unadjusted) in an active market for identical assets.

Included within cash deposits, US\$323,000 (2014: US\$330,000) are supporting letters of credit providing security for certain overseas reinsureds.

Net cash outflow from operating activities	<u>(16,801)</u>	<u>(1,176)</u>

19. Operating leases

The Group has no lease commitments.

20. Related party transactions

(a) The Company is a wholly owned subsidiary of NNOFIC. For the year ended 31 December 2014, ING Groep NV, a company incorporated in The Netherlands, was the ultimate holding company. In 2015 ING Groep NV's majority shareholding was reduced to a minority shareholding in NN Group NV, a company also incorporated in The Netherlands, and NN Group NV became the ultimate holding company of NNOFIC and the Company.

The results of the Company and of the Group have not been consolidated in the ultimate holding company's financial statements.

20. Related party transactions (continued)

- (c) As a result of continuing deterioration in claims reserves Internationale-Nederlanden Verzekeringen NV ("INV") provided funding for gross claims payments made from 15 December 1993, with effect from 1 February 1994. The value of this funding, which was in the form of an unsecured interest free inter-company loan from NNOFIC, a subsidiary of INV, and intermediate parent of the Company, amounted to US\$138,832,000 (Company: US\$103,409,000). The funding ceased on 21 October 1994, and the Company and its wholly-owned insurance subsidiary, The London and Overseas Insurance Company Limited, were placed into provisional liquidation.

An amount of US\$11,449,000 due to OIM Limited and Orion Insurance General Limited at 31 December 1995 was assigned by these companies to NNOFIC during 1996.

Amounts totalling US\$150,281,000, currently included in amounts due to NNOFIC, have been subordinated to the Established Liabilities of all other Scheme Creditors, as defined in the proposal document for the Original Scheme. This subordination became effective on 7 March 1997, the effective date of the Original Scheme.

- (d) On 30 June 1995, the Group entered an arrangement with The Institute of London Underwriters ("ILU"), now The International Underwriters Association, and NNOFIC, in respect of certain liabilities included in technical provisions arising on policies signed and issued by the members of ILU and incepting on or after 20 March 1969 in respect of its wholly-owned insurance subsidiary and on or after 28 August 1970 in respect of the Company. Certain claims payments have been made by the Group since 30 June 1995 using funds loaned to the Group by NNOFIC. As at the balance sheet date, total claims paid by the Group were US\$306,555,000, the claims paid by NNOFIC under this arrangement amounted to US\$214,603,000 of which US\$204,066,000 is the Company's portion, and the balance of US\$10,537,000 comprises the funding provided to the wholly owned insurance subsidiary, The London and Overseas Insurance Company Limited (in Scheme of Arrangement). The amount paid during the year under this arrangement was US\$402,000 (2014: US\$299,000) for the Group and US\$395,000 (2014: US\$297,000) for the Company.

Under the agreement, the loan from NNOFIC ranks as a policyholder liability and falls under the intra-group guarantee (see Note 13 (b)).

- (e) The Group was placed under the control of Joint Provisional Liquidators P. A. B. Evans and R. Boys-Stones on 21 October 1994. Mr. Evans and Mr. Boys-Stones were partners in PricewaterhouseCoopers LLP, the firm which provided services relating to the provisional liquidation of the Group.
- (f) With effect from 7 March 1997, the Joint Provisional Liquidators ceased to act and the Group entered into the Original Scheme with their creditors. D.Y. Schwarzmann and P. A. B. Evans are the Joint Scheme Administrators of the Group. The Original Scheme and the Amending Scheme provide that the Scheme Administrators shall, in relation to the Group, manage the run-off of its business, realise its assets and apply them for the benefit of its creditors, supervise and ensure the carrying out of the Original Scheme and the Amending Scheme, and gives them the power in the name and on behalf of the Group to manage their affairs, business and property. During the year ended 31 December 2015, PricewaterhouseCoopers LLP fees for services provided to the Group and Company amounted to US\$9,929,000 (2014: US\$9,553,000) and US\$9,929,000 (2014: US\$9,553,000) respectively, excluding VAT.

Notes to the financial statements for the year ended 31 December 2015 (continued)

21. Transition to FRS102

This is the first year that the Group has presented its results under FRS102. The date of transition to FRS102 was 1 January 2014, however no amendment was necessary to the 2014 comparatives to ensure compliance with FRS 102.

22. PRA returns

The FSA, as predecessor to the PRA, has issued to the Company in May 2002 a waiver under section 148 of the Financial Services and Markets Act 2000 providing that Rule 9.3 of the Interim Prudential Sourcebook for insurers should be modified in its application to the Company so that the requirements under Rule 9.3 shall be satisfied instead by the Company preparing audited statutory accounts.

23. Scheme of Arrangement

The Group entered into the Original Scheme with effect from 7 March 1997. Details of the Original Scheme were sent to creditors and shareholders in a proposal document dated 20 November 1996. The Amending Scheme was then entered into with effect from 14 January 2016. Details of the Amending Scheme were sent to creditors and shareholders in a proposal document dated 8 October 2014. These documents should be referred to by creditors of the Group.

On 15 September 1997 an initial Payment Percentage of 15% of creditors' Established Liabilities was approved by the Creditors' Committee. Subsequent increases in the Payment Percentage have been approved by the Creditors' Committee. As at 31 December 2015 the Payment Percentage was paid at 58%. The Amending Scheme seeks to crystallise the majority of the Group's liabilities so as to enable a final Payment Percentage to be approved and paid.
